SUPPORTING KIDS' HEALTHY DEVELOPMENT

What are Get Ready to GROW Screenings?

Quick and fun health and developmental screenings for children ages 1-5 are available for:

- Speech and language
- Movement /fine and gross motor
- Thinking and reasoning
- Social and emotional development
- Vision, hearing, dental

Get Ready to GROW Screenings...

- Are an extension of your child's regular health check-ups
- Can let you know if your child's development is on track
- Can help determine if there may be a need for further evaluation or testing in an area screened
- Provide tips and activities to promote development as well as navigation for next steps when a possible need is identified

Where are Get Ready to GROW Screenings done?

- at comunity events like Toddler Takeover at the Geneva Boys & Girls Club- Toddler Time
- by appointment at a Child and Family Resources location

Can't make an event? Contact 1-800-881-5786 for an appointment!
